MEMORANDUM FOR THE SECRETARY OF STATE
THE SECRETARY OF DEFENSE
CHAIRMAN, JOINT CHIEFS OF STAFF
DIRECTOR, CENTRAL INTELLIGENCE
DIRECTOR, ARMS CONTROL AND DISARMAMENT AGENCY

SUBJECT: Establishment of a Task Force to Facilitate
Ratification of an INF Treaty (C)

The White House is establishing a task force, along the same lines as the task force for the MX missile, to coordinate and oversee Administration efforts to facilitate ratification of the INF treaty by the US Senate. This task force will be chaired by White House Legislative Affairs. Substantive support for the task force within the White House will be provided by National Security Council staff. (S)

The size of the task force should be kept small, to permit it to provide guidance and coordination for activities by responsible Cabinet agencies, without becoming the actual operating body for ratification support efforts. White House Legislative Affairs will be contacting each agency to ascertain its membership on the task force. An initial meeting of the task force should occur before October 15, 1987. (C)

The task force will be responsible for formulating and coordinating implementation of all activities to provide support for ratification of the INF treaty. (S)
